

Rossmere Primary School

Dear Parents

We break up today for 2 weeks after what seems to have been a very long and busy term! Since Christmas we have held discos, fundraising non-uniform days, an amazing book week, residential visits to Robinwood and London, trips out, taken part in lots of sporting tournaments and started lots of new after school activities.

Next half term is very short and is a very important time for assessments and learning across the whole school. **There will be a reward for every child who does not miss a single day of school next half term (there are only 23 school days).**

Well done to every single child for all their hard work since Christmas. Hopefully you will all have left parents' evening very proud. Have a lovely holiday with your children.

Caroline Reed

Headteacher

Fundraising Penalty Shoot-Out

Every child is bringing home a sponsor form for this event today. It will be held on Thursday 2nd May. This event will help Hartlepool United Community Sports Foundation (that supports local sport in Hartlepool) and our school.

Attendance Reminder

There will be trips out in July for any child who has had no unauthorised absence and who has attendance above 95%.

Any holidays are classed as unauthorised and any child who is late for school arriving after 9.30am will get an unauthorised absence mark.

We will also not authorise an absence due to illness of more than 3 days without seeing medical evidence (unless it is chicken pox or similar)

If your child has had unauthorised absences please don't be upset if they miss out on the reward trips out.
