

Rossmere Primary School

Dear Parents

The children have all been working very hard this half term. It will be lovely to show you their work at parents' evening in March. We have also seen success in sporting competitions in rugby, dodgeball, basketball, cricket and swimming. Well done to all the children who have participated!

As a school we supported Children's Mental Health Week with the wishing tree and are now planning events for next half term. Please make sure you look after this newsletter so that you don't lose the dates below.

We hope to see some of you at Chill 'n' Chat after the holiday. As always my door is always open if you have any queries, concerns or just fancy a chat.

Caroline Reed
Headteacher

Rossmere's Got Talent

After the holiday all children from Year 1 to Year 6 will have the opportunity to audition for the show. The performance must be no longer than 2 minutes long and can be anything entertaining. We will be starting auditions in March.

Attendance

We are really impressed by the improvements in attendance this year. We will be rewarding children who have had no unauthorised absence with treats this term and a trip in the summer term. Please remember that we can only authorise absence where -

- The child has a medical appointment and we see evidence.
- We know that the child is genuinely ill (for absences of more than 2 days we may ask for medical evidence)

All other absence will be unauthorised in line with our policy. This includes days when a child arrives after 9.30, is off all morning for an 11am appointment or is on holiday.
