

Rossmere Primary School

Dear Parents

What a fantastic start to the new year we've had with trips out to Tynemouth and swimming, and exciting days in school with animals, muck tubs, Mexican parties and even the plague in Year 5! We hope your children are telling you all about our new curriculum!

We continue to send teams of children to represent the school in sporting events and there are many more planned for later this term.

Our new menu of after school clubs seems to be a huge success—with no space left in many of the clubs. We hope to introduce different clubs in the summer term so watch this space. Online booking for clubs on the Gateway App is also proving to be a huge success with parents able to secure places for their children without the worry of letters going missing or being handed in late.

Our fundraising events continue to amaze us with your generosity - both raising money for school funds and for charities such as Children in Need and the Children's Cancer Ward.

Thank you all for your continued support.
