

Friday Afternoons

What is PPA time?

All teachers are entitled to half a day a week when they are not teaching, in order to plan and prepare lessons. We have decided that this will be on Friday afternoon. We have added extra teaching time into the rest of the week so that children still get the same number of minutes of lessons.

What will happen on Friday afternoons?

School will close for the majority of children at 1pm on Fridays. Children should be collected like they are at the end of every other day. Children will be marked in on the register at 12.45 so this will not affect their attendance.

Who can stay at school on Friday afternoons?

- All children of parents who work (regardless of job)
- All children with a social worker
- All Nursery children (nursery is open as normal)
- Any child with Special Educational Needs where the parent wishes for them to stay at school.
- Any child where the parent has spoken to us to request a place because they meet another category of being vulnerable in some way

This would not be a 'drop in' - they need to attend every Friday afternoon or none, as we will be planning for the number of children.

We will collect names of children before September..
