

Christmas at Rossmere

Obviously a few things will be different at school this Christmas, but we are determined to still make Christmas as enjoyable as possible for the children.

Christmas Performances / Nativity Plays

This is usually the main part of a Rossmere Christmas, and this year is no different. Because we are not mixing bubbles or inviting parents in to watch, each class is rehearsing and filming a short Christmas video that will be shared on Dojo and in the private Facebook group. Unfortunately children will not be able to participate if they do not have permission to be filmed in school. We hope you will enjoy sharing the videos with your family.

Decorating the Christmas Tree

We have decided to have a number of trees throughout school so that all children can decorate a tree. This will give the school a really festive feel.

Christmas Party Day

This will be on Monday 14th December. Children can come to school dressed in party clothes and have a day of games, DVDs, disco and party food. We will be providing the party food this year so you can focus on the outfit!

Presents from Santa

Santa will be visiting us this year in his Winter Wonderland Grotto in the Forest School. All children will have the chance to visit Santa in groups and to receive a present. This will be socially distanced to keep Santa safe (at his age he needs to be careful)!

Christmas Fair

With the absence of a Christmas Fair, children will be making Christmas crafts that will be advertised on Class Dojo. If you want to buy anything your child has made, please send the money in with your child.

Last Day - Friday 18th December

This is a non uniform fun morning in school. School will close to all children at 1pm with no enrichment club that day.

Christmas Dinner

This will be on Wed 9th December. Children are invited to wear festive clothes and pull a cracker with their friends.

Christmas Cards from home

Christmas cards can still be brought in, but only for children in your child's own class. This is because they are not able to go and visit friends in other classes.
