100% of parents say that their child is making good progress at Rossmere

99% of parents say that Rossmere Academy encourages good behaviour

98% of parents say that Rossmere supports their child's personal development and mental health

98% of parents say that they are given enough information about what their child is learning in school

99% of parents would recommend Rossmere Academy to another family looking for a school

Improvements since last year:

You think communication is much better between home and school - this is great to hear as it is an area we have tried really hard to improve.

More of you think that behaviour at Rossmere is good and that we try hard to encourage good behaviour.

I’m extremely happy with how Rossmere has treated my children over the years. They have always been understanding and kind towards them. This is something I believe really helps them enjoy school.

Everyone is doing an amazing job - thank you!

Excellent Academy in all departments which have my son’s education and best interests at heart.

My child is thriving at Rossmere

The SEND provision at Rossmere is so important to the children and families. Seeing all the work the staff do and the progress my child makes (doing things I thought they may never be able to do) is proof of how effective the provision is.

There is no other mainstream primary that works like Rossmere - they really do cater for all children and all needs, and make sure they all make good progress.

Fabulous Suggestions!

A number of parents have suggested that we need to offer more after school childcare until at least 5pm, that children of different ages can attend and offer a variety of different activities. We currently signpost to OSCARS for after school childcare but would investigate offering something at Rossmere if this was no longer available.
Breakfast Club is available from 7.45am for children aged 3+

Could a ‘nearly at nursery’ group be offered so that parents can stay with their child to help them settle in the nursery environment - this is something we will look at, but we do offer Treetots Toddlder Group in the Forest School and most of our nursery children start in Sparkles so we’re not sure how many parents will attend this

Could communication about homework and learning be clearer - we do send out a half termly newsletter and homework grid on Class Dojo, but we will ask teachers to make sure this is sent out again just in case any parents have missed it
