FINANCIAL SUPPORT

We work with families

We understand that family circumstances can change.

Although charges apply for wraparound care, after-school clubs and residential visits, we never want cost to prevent a child from taking part.

Through school fundraising and additional funding, Rossmere Academy is able to subsidise many enrichment opportunities, helping to reduce costs for families wherever possible.

Where additional financial support is needed, families are encouraged to speak to us in confidence.

INCLUSIVE OPPORTUNITIES

Our enrichment programme is designed for every child. We carefully adapt activities wherever possible so pupils with SEND can enjoy the same opportunities alongside their friends.

This may include:

- ✓ Additional staffing
- ✓ Adapted equipment
- ✓ Individual planning
- ✓ Flexible approaches
- ✓ Personalised support

Because inclusion is at the heart of everything we do.

BESPOKE EXPERIENCES

For a very small number of children with highly complex needs, some activities may not be suitable despite reasonable adjustments.

When this happens, we create equally exciting bespoke enrichment experiences designed around each child's strengths, interests and needs.

meaningful enrichment.**
