

THANK FOR YOUR FEEDBACK

Why You Like School

It's lovely to see that so many of you enjoy school! Most of you say your friends, playtime, learning new things and your teachers are the main reasons for enjoying school. Some of you really like the challenge of hard work, which is great!

Why Some People Don't Like School

A few of you don't like coming to school because you miss your family, a school day is too long, some work is too hard and some of your friends can be a bit unkind. It's so good that most of you come to school regularly despite this!

What About Playtimes?

All of you enjoy playtimes - amazing! But you made some suggestions for how we could improve things. Now winter is nearly over we will be getting more play equipment and toys out so you will have more to do. We will also be talking to all of our staff to make sure they always listen to you and do something straightaway if someone is unkind to you.

The Best Things About School

- The staff
- Friends
- Playtimes
- Learning
- Lots of fun!

How Could We Improve School?

- More after school clubs
 - More playtimes and more toys
 - Everyone being kind all the time
 - Different choices at lunchtime
- We are working on all of these!

Thank you!

If you think of any more ideas ask your grown up to send Mrs Reed a message or come and tell someone next week.
